ESTATE

PURE SINGLE JAMAICAN RUM

THE 8 MARKS COLLECTION

The rich diversity of the rums produced at Hampden Estate is best exemplified by the large array of marks produced by the distillery. Each mark corresponds to a newly made spirit with specific characteristics of style, aromatic intensity, flavour profile, body and structure, obtained by respecting a specific formula in terms of the raw materials used, fermentation time and methods as well as distillation techniques.

For the very first time in its long history, Hampden Estate reveals a limited edition giftbox containing its famous **8 Marks**.
