

# HABITATION VELIER

The House of Pure Single Rums

## LONG POND STCE 2007 – 15 YEARS OLD Single Cask No. 5

Single Jamaican Rum – 61%, 750ml

### Range

Habitation Velier is a project featuring exclusive bottlings made through partnerships with some of the best rum producers in the world. The range is focused on 100% pot still rum, entirely aged in the tropics without any sugar additives and bottled at high or full proof.

While Habitation Velier offerings are limited by nature, every so often a range of extremely limited Single Cask offerings are available. These single casks denote exceptional liquid as a timestamp of a place and moment.

### Product description

Long Pond STCE 2007 is a historical formula that stands for Simon Thompson Cambridge Estate.

Among Long Pond's list of marks, STCE denotes a medium - high ester level of 550-700 gr/hLPA after distillation. This single cask was distilled in 2007 and has been aged in ex-Bourbon cask for 15 years in the tropical conditions of the distillery in Trelawny, Jamaica

This Single Cask has been bottled for the US Market "au naturel" at cask strength with no dilution, additives, sugar or artifice. 248 bottles were produced.

### Tasting notes

**Profile:** Concentrated and lively.

**Nose:** Rich and well-developed. Ripened banana, salted butter caramel and bourbon vanilla.

**Palate:** Full-bodied and creamy. Toffee, fresh walnut, ginger, cinnamon, praline and pine resin.

**Finish:** Long and heady. Molasses, tar, flambeed banana, mahogany, candied pineapple and camphor.
