BELIZE 2007 Single Cask TVL07MBT01

Traditional Rum – 63.8%, 700ml
313 bottles

Brand | Transcontinental Rum Line single casks are carefully vetted and chosen for their unique personality and bold character.

These rums, bottled at cask strength with no adulteration, come from the four corners of the world. They offer a singular moment in time from rum-producing areas around the globe: a snapshot of the distillery.

Product description | Distilled in a column still in 2007 from fermented molasses and matured in ex-Bourbon barrel, this cask spent 8 years in the tropical climate of Belize before crossing the Atlantic Ocean to age for 7 more years in Europe. A unique expression bottled at full proof with no adulteration.
