

HABITATION VELIER

The House of Pure Single Rums

MONYMUSK EMB 2014 – 8 YEARS OLD Single Cask No. 2

Single Jamaican Rum – 60%, 750ml

— Range

Habitation Velier is a project featuring exclusive bottlings made through partnerships with some of the best rum producers in the world. The range is focused on 100% pot still rums, entirely aged in the tropics without any sugar additives and bottled at high or full proof.

— Product description

Monymusk comes from the Clarendon Distillery, located in Lionel Town in southeast Jamaica. The distillery is a subtle alliance between tradition and modernity: a multi-column on one side and two pot stills on the other. Monymusk is the brand name of rum produced on the heavier pot stills. They produce a range of “marks” like the other Jamaican distilleries, designed to be specific recipes to create iconic flavor profiles that have served the blenders market historically through to modern times.

EMB is the former Bog Estate mark (closed in 1948) and is part of the Wedderburn category. The EMB mark denotes a level of esters between 125 and 280 grams per hectolitre of pure alcohol. Distilled in 2014 at the Clarendon/Monymusk distillery, this rum is distilled from molasses, using the distillery's two pot stills, Vendome and Calandria-i.

This Single Cask was bottled at 60% ABV with no dilution or adulteration. 233 bottles were produced.

— Tasting notes

Profile: Concentrated and exotic.

Nose: Round and expressive. Smoky notes, milk chocolate, resin and cardamom.

Palate: Powerful and heady. Peach, verbena, beeswax and spices.

Finish: Long and salty. Plum, brandied bananas, wood varnish and pine resin.
